RE: Monday, Tuesday & Thursday Nights
"For the Good of the Run"

Dear Player and Attendee:

We met last night at the brand new Louie's Manhasset Restaurant to celebrate a great cause. Our host, Peter Pagonis gave us a spectacular discount on food and drink. The reason for this was so that we could make a generous donation to Family Initiative, Inc. Program led by Charles "Lamont" Eddins, (quality defender who passed me the ball).

We met for this fundraiser as well as for the following past events:
Manhasset High School: Coaches George Bruns, Stu Goldman, (2005-Present),
St Mary's High School: Coach Tim Cluess, (1991-2005),
St Mary's High School: Coach Ira Hunt, (2018-Present),
We also met for many other private functions as follows:

Dinners at the Dome, February Break (2011-2015),
Including the Only Husband and Wife Dinner (2015),
Jerry Vanderberg Blood Drive Morton's Steakhouse (2011),
Michael Miller Hoop Dinner Invite La Coquille (2013),
Timothy Coughlin, Charles Vachris Tributes (2001), (2014)

These events were in addition to others not previously reported. To the Basketball men in the town of Manhasset: We've had some of the greatest times of our lives on the "hardwood floor" and at the establishments visited after "the run". This will continue under new management led by Peter Neckles: 6'5" 245 strong inside game, (who also passed me the ball).

I will stand on the sidelines and scream at the top of my lungs, "This better be **"For the Good of the Run**". Looking forward to seeing you soon!

Sincerely,
